The Tarrant Area Gerontological Society (TAGS) is an organization of individuals interested in aging who advocate for meeting the needs of older adults and sharing knowledge and information with each other, and the community, in order to make Tarrant County, Texas a great place to grow old.

Part of our mission is to advance knowledge of the aging population through fundraising in order to provide scholarships to students in the field of geriatrics. ALL PROCEEDS FROM THE TAGS SCHOLARSHIP MIXERS WILL GO DIRECTLY TOWARDS SCHOLARSHIPS FOR STUDENTS. At our Summer Forum in July, Scholarships are announced and awarded. Thank you for your support!
